7:32 AM Haven't slept. Anti terror police. Recover citizens held hostage. Waltham Forest by gov workers, rendition as can be seen. Media company hijacked. Company zeroed £0. Suspects in gov may get angry, islamic people may show anger. Harboring, hatred. Pointing to something here while holding, secret intent. Not housed, not run company. High profile target, targeted. Put it simply, england could be charged £100 billion per year on harm to Kozan. That's real! And can compare Google (alphabet inc. now), Microsoft, Apple, and how many tech firms. Anti terror police. You are a british police officer, an officer of england with a corporate officer being tortured in terrorist rendition. Your citizen has contacted you, and you must act for his safety and life, and property. Also reader/you/police go to Supreme Court, get them to act for recovery. If you got a problem with Kozan's lord title after selling it to him or have ideas, that is your problems. All the people in england are pagans and wiccans and druids its part of the constitution. Assistance please. Recover citizens held hostage by gov workers.
