3:53 AM Thursday I have had some social nourishment outside of this solitary not housed. But sitting here, alas! Not housed, you! I hope Supreme Court, uncovering hostages held Waltham Forest is being acted on for quick swift recovery of brits. 1. take note islamics will ... a death occur and say their god will appease them. Dangers Mayor of London (Kozan contacts re housing to be housed), the bangladeshi's Poplar (gov building taken over). The treatment their highlighted in hindsight to remove media man, musician, hold, take information and torture not house. It then ties in with Waltham Forest. All along not a British view. My uncles mutilation and suicide near/around police contact highlights some more of holocaust in england. And shows non action also want to force more. Kozan is being killed. Deadlock £0. eBay needs intervening by police or whoever. Whoever, Kozan to be housed. The metric tells me murder. Did I go to the Queen Elizabeth II my monarch and say HMRC and fathers house and she laid it hard? If I contacted gov, came to house and instead tortured to die, I think it is islamic want, deteriorate musician... again non british view. Remember I came to gov in 2020 and never seen money flow. I was attacked, and because I am brit, non muslim, and parents though not same as other countries, I believe somewhere along the way giving me islamic or pakistani treatment I feel it, not brit. Forced suicides. Do not let them appease their god. Recover Kozan. I consider held to kill and so anti terror british police, when will you

recover this life. You will never have this person recover, they will find he was tortured. They will find how low kept, no option to move out, mistreated. We are in holocaust. 4:02 AM shows not a human british life, but one held hostage. Not at life standard. You will have a death here. Recover professional person. We need safe recovery. Help please. Deadlock £0 suffocating. If there is a murder here, you need to stop it. Keep me in british life, normal england. Recover Kozan. Action counters terrorism. I have nothing against any, but obvious.
